

MEDIA RELEASE

Are you suffering from a broken heart? Or, do you feel like a prisoner of the past still hurting from a relationship that ended long ago? If so, it is time to set yourself free!

Millions of people go through a break-up or divorce every year, and most of them do not have any idea of how to deal with the pain, or how to bounce back from the emotional devastation. **Georgia Roulo**, author of ***Wisdom to Heal and Love Again***, reveals the feelings of love, loss, and new beginnings.

Georgia will explain to your listeners how they can

- · Avoid months or years of more unnecessary heartache
- · Find the courage to face all aspects of their loss
- · Stop the pain and restore their self-confidence
- · Overcome fear (by memorizing one sentence)
- · Heal a broken heart, and move on to create a great life

Georgia Roulo has helped millions of people communicate through her *Feeling Sensitive™* Greeting Cards “For those with the feelings in search of the words.” Now she offers a heart healing process and broken heart support for those who want to bounce back from heartache and live life to the fullest.
